Open Issues:

- Restaurant Fundraisers: Since Joette is not in attendance the board tabled the topic of the restaurant fundraisers until the next meeting.
- Middle School Soccer: Rhonda reported that things went well with the middle school soccer paperwork. The away game meals from Subway are going well so far. We need parent volunteers to pick food up for the girls team. They would have to stop by Subway by 2:00 pm on game day and take the food to the game and hand out to the kids as the get on the bus to come home. Pick up for the first away game is covered.
- Storage Shed: Rhonda reported that there is nothing to update on about the storage shed.
- Amazon Smile: Lisa Souders volunteered to sign up our booster club with Amazon Smile to help raise funds. Adele Kirby volunteered to sign up with GoodSearch.
- Community Night: We have to let the planning committee know what our plans are. Kim suggested selling frozen yogurt for \$1.00 each. Rhonda suggested selling walking tacos since community night will fall around dinner time. Rhonda will contact Tim.

- Spirit Wear: Jen VanHorn said she can check with someone she knows that has a ton of designs we can choose from. She can bring some designs to the next meeting. She will also check on the turn-around time. Kim Taylor will also check on turn-around time with CVR.
- Fair Stand:
  - Rhonda worked on setting up Sign Up Genius for the fair stand schedule. She pulled it up on her phone and passed it around for all to see. Lisa Souders suggested to put the diagram of the fair stand on the website and to include descriptions of the jobs for each slot that the email from Sign Up Genius sends out. Adele stated that she can put the diagram of the fair stand on the web site. Everyone agreed that they liked the look of Sign Up Genius.
  - The next step for the fair stand is to have three people attend the food preparation safety course on April 13th at the VFW. It is on Wednesday evening from 6-9 pm. Brendan West and Joette Shetter can attend. We will need one more person to attend. The person in charge of the fair stand must be certified from this course. The managers on duty (MOD) will have to be shown what needs to be done and what needs to be documented at shift changes.
  - Rhonda asked if we have hard copies of the menus for the fair stand. We could put the menu on the website and email it out. A night to hold orientation for the fair stand will need to be picked and that can be put on the website as well. It was discussed to offer something to the players that help out for a set number of hours at the fair stand during the prep nights (such as free away game subs). The fair is the week of July 24th - 30th. The prep nights are held on the Mondays in July. The first Monday is July 4th so that will not be a prep night. That leaves two Mondays to get all of the work done (July 11th and July 18th). It was decided to have the girls team players come on July 11th and the boys team players come on July 18th. The incentive will be to provide pizza and soda each night. We may even be able to get the pizza donated.

#### New Business:

- Rhonda reported that the board received a request to donate towards the Senior Graduation Party. It was approved to donate \$50 on a motion made by Scarlett Gettel and approved by Kim Taylor. Motion carried.
- Rhonda brought up the Middle School Soccer Banquet. It was discussed about holding it at the high school cafeteria. We could have the Athletic Director there, recognize the kids for their grades. We could do gifts for coaches (coach jackets/sweatshirts or golf

shirts). There are four coaches and one manager. Rhonda will call the cafeteria for a cost.

The meeting was adjourned at 8:31 p.m.

The next meeting will be on May 9th, 2015 at 7:00 p.m. at the Shippensburg Senior High School.
